

NYU | NURSING

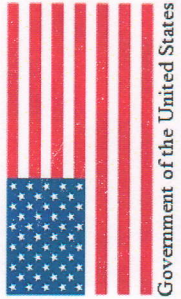

CERTIFICATE OF COMPLETION

AWARDED TO

IMEDA KURTSIKIDZE

This certificate recognizes your successful completion of the New York University College of Nursing course on Translating Research Into Practice from July 8-July 12 in Kutaisi, Georgia. The course included 20 hours of advanced training on research methods and was a major component of the Georgia Research Training Program funded by a grant from the United States Department of State Embassy in Tbilisi, Georgia.
