Additional Information

You can specify additional information

Soviet master of sports since 1980 in fencing.

I have received a state certificate in the following specialties:

1. Therapeutic Dentistry
2. Orthopedic Dentistry
3. Surgical Dentistry
4. Public health and healthcare organization

I have been working in St. Petersburg since 1990. Head of the department at Kutaisi №1 Dental Clinic

1995-1997 I worked as the Deputy Director of the Dental Center

I have been in St. Petersburg since 1997. Director of Kutaisi №1 Dental Clinic

In 1990 I defended the degree of Candidate of Medical Sciences with the rank of Dentist 14.00.21.

I have been working as a lecturer at a higher education institution since 1990, starting in St. Petersburg. From Kazan Medical University

In 1996 I enrolled in the Georgian Oncology Scientific Center as a doctoral student specializing in Kazan surgery. From 1995 to 2007 I was appointed Head of the Kutaisi Branch of the All-Georgian Association of Medical Workers

In 2009, my post was added to Google. Contents 0910. htm summary 0910.htm

Since 2009 I have been participating in the implementation of the doctoral program at the Independent University of Zugdidi, specializing in "Dentistry".

Since 2009, under my scientific guidance, Z.D.U. Levan Morchadze, PhD student, has prepared a doctoral dissertation on the topic: "Endodontic laser therapy in the treatment of acute periodontitis" (suspended due to ZDU reorganization).

Since 2009 I have been working at the TSMU base in St. Implementation of a residency program in Kutaisi №1 Dental Clinic,

CV

I actively participate in the events organized by the Georgian Dental Association GSA (lecture-seminar, conference, international congress and master class)

Residents conducted a clinical module in Therapeutic Dentistry by me: Module 1. Cariesology; Module 2. Endodontics; Module 3. Diseases of the periodontium and oral cavity: in orthopedic dentistry - Module 1 Propaedeutics of orthopedic dentistry; Module 2. Removable (fixed) prosthesis; Module 3. Removable Prosthetics.

It should be noted that the syllabi of the full course of pediatric and adolescent therapeutic dentistry are compiled based on the guidelines published by me, which is the right of Ketevan Gogilashvili, Full Professor, Vice President of the Georgian Dental Association, and Giorgi Prof., Head of the Dental Service of the Aversi Clinic.
