Ana Jabauri
Cardiologist MD doctor , professor

Education

- *Tbilisi state medical university* — Name of the Higher Educational Institution
- *Tbilisi state medical university* — Name of internship (master course) institution

Qualification

(list of documents attributing qualification, dates of issuance and names of issuant institutions)

- *Diploma N 081904*
- *Diploma of candidate of science*
- *State certification of cardiologist N 031763*

Operational Experience

(List of work locations, job titles and major functions performed)

- *Tbilisi state railway hospital 1990-1991*
- *Degree of candidate of science 1993-1995*
- *Professor at Tbilisi medical institute 2006-2008*
- *Local head of postgraduate education residency at Tbilisi state medical university 2009-2019*
- *Doctorate degree 2006*
- *National Center of Internal Medicine cardiologist 1993-2011*
- *Leading cardiologist at "New Hospitals" 2011-2019*
- *Professor at European University*

Specialty Occupations

- *XX/XX*
- *XX/XX*
- *XX/XX*

Scientific Papers, Publications

(List of dates, editions and original titles of publications)

- *IX International Scientific Meeting. The American Society of Hypertension May 1994, NY, USA.*
Poster presentations-prolonged treatment of arterial hypertension in patients with diabetes mellitus
 - *American journal of Hypertension. Journal of the American Society of Hypertension 13th scienti Meetings, May 13to-16, 1998. Arterial Hypertension as a Risk Factor of Ischemic Heart Didease in Old AND long-Living people*
- *IV th European Congress of Gerontology . Berlin .July 7 -11, 1999 Treatment of Hypertension in Elderly Diabetic Patients.*
- *International Symposium on Nursing , coordinating , Bridging , Rehabilitation in Organ Transplantation Combined with the First International Meeting of Organ Recipient/ Bad Oeynhausien*

, Germany , September 6-8, 1994. Oral presentation – Cardiovascular Risk Factors In Old And Long-Living People.

- 5 th International Symposium of hypertension in the community / Tel Aviv, Israel. December 11-14, 1994

Orall presentation- The Result of Prolonged Treatment of patient with Arterial Hipertension and Diabetes Mellitus with AGF inhibitors.

Gerontologie and Geriatrie, IVth European Congress of Gerontology. Berlin. July 7-11, 1999. Vol 11/149.abs N564

XIV International Symposium on “ATEROSCLEROSIS”. ROM (ITALY) on JUNE 18-22, 2006
Poster presentations – 1.Genetic Factors of Atherosclerosis 2. Effective Treatment of Atherosclerosis by Dosage Optimization of Atorvastation.

28th world congress of Internal Medicine, Taipei 2006 , November 10-14 . Poster Presentation-
1.Evaluation of long-term prognosis and revealing of this prognosis predictors in patient with dilated cardiomyopathy 2.Significant Aspects of Atherosclerosis in clinical Genetic 3.The Result of Treatment of Atherosclerosis by Economical Scheme with Atorvastation.

The Treatment and prevention with statins different doses influence the minimal side effects
XV International Congress of “ATEROSCLEROSIS”. NY, USA, October 2007. Poster presentations – Some aspects of Genetic predispose of atherosclerosis.

XIV International Sympozium on “Atherosclerosis” Rome (Italy) on June 18-22.2006 VOL.132 Genetic Faqtors of Atherosclerosis

XIV International Sympozium on “Atherosclerosis” Effective Treatment of Atherosclerosis by Dosage Optimization of Atorvastation

Effects of station Therapy in Different Age Groups. 2006, October T7 N5

Effective and low-cost Treatment of Atherosclerosis by Atorvastation 2006 , October T7 N5

28th world congress of internal Medicine, Taipei 2006 , November 10-14

28th world congress of Internal MEDICINE, Taipei 2006 , November 10-14 . The results of Treatment of Atherosclerosis by Economical Scheme with Atorvastatin

28th world congress of Internal Medicine, Taipei 2006 , November 1014. The treatment and prevention with statins different doses influence the minimal side effects.

IAS – sponsored Workshop on HDL: Structure , Protective Functions and Therapeutic Applications. Santorini , Greece 9-12 October 2007 . Poster presentations – Some aspects of Lipid Change disturbances in neonats

7th International Symposium on “Multiple Risk Factors in Cardiovascular diseases – Prevention and Intervention – Health Policy” Venice , Lido, Italy , October 22-25, 2008.

VII International Congress on Coronary Artery disease. Prague , Chekh Republic , October 11-14 2009
Poster presentation – 1. Dyslipoproteinemia in neonats and hereditary predisposes of Atherosclerosis
Postural presentation- 2.Dyslipidemia and state of the Cardiovascular System and Circadion Blood Pressure Rhythm in Hypertensive Men

Membership in Scientific Organizations

Georgian Association of Cardiologists
International Atherosclerosis society

Command of languages

Georgian , English , Russian

Public Presentation Skills
