#### Invitation

It is our pleasure to invite **Dr. Maka Buleishvili** to visit Faculty of Electrical Engineering, University of Ljubljana, as a member of a delegation from the Georgian partners.

The planned visit is a part of activities within the EU Tempus Project (BME-ENA: Biomedical Engineering Education Tempus Initiative in Eastern Neighbouring Area). Tbilisi State Medical University and University of Ljubljana are partners in this project.

The visit will take place between April 24 and 26, 2017.

The planned visit has a training purpose to transfer the experience and knowledge about establishing and running a study program in Biomedical Engineering (BME) on the masters level (M.Sc.) from Faculty of Electrical Engineering, University of Ljubljana, to colleagues from Georgia who are working on establishing their own BME study program within the scope of the Tempus BME-ENA Project.

The financial part of the visit will be covered from the Tempus BME-ENA Project resources of our Georgian guests.

Prof. Tomaž Jarm, Ph.D.  
(local coordinator for Tempus BME-ENA Project)

Prof. Igor Papič, Ph.D.  
(Dean, Faculty of Electrical Engineering, University of Ljubljana)
