Understanding the EnglishScore

EnglishScore

CEFR level

Compare CEFR to IELTS®*

At this CEFR level you:

understand extended speech even when the structure is complicated and opinions, topics and relationships are implied rather than signalled explicitly;

understand long and complex factual and literary texts, as well as specialised articles and longer technical instructions from a variety of fields;

interact fluently and spontaneously, using language flexibly and effectively for social and professional purposes, including the formulation of complex ideas and opinions which can be skilfully linked to those of other speakers;

address and discuss complex subjects using a variety of idiomatic expressions and complex structures to integrate subthemes, develop particular points and offer appropriate conclusions.
