

## CV

### Personal Information

Name, Surname	Ioseb Kartvelishvili
Date Of Birth	December 2, 1972
Address	Tbilisi, 14 S.Chiaureli Street, f.53.
Telephone number	2252523, +995595220922, +995599220621
Mail	kartvelishvili.ioseb@eu.edu.ge

### Education

Years	Name Of School	Specialty	Qualification
1989-1995	Technical University of Georgia	Specialty of automated systems for data processing and management	engineer/technician of systems

### Work experience

Years	Organization	Position
From 2006 till today	Technical University of Georgia, European University.	Associated Professor  Associated Professor
2004-2006	Technical University of Georgia	Docent
1995-2004	Technical University of Georgia	Assistant
1989-1997	State Enterprise Imedi (Processing Publication Originals)	Head of Information and Technical Department

### Knowledge of a foreign language

## CV

Foreign Language	Beginning Level	Medium Level	Good Level	Very Good Level	Select if you have the appropriate certificate
Russian				<b>X</b>	
English		<b>X</b>			

### Knowledge of office programs

	Beginning Level	Medium Level	Good Level	Very Good Level
Microsoft Office Word				<b>X</b>
Microsoft Office Excel				<b>X</b>
Microsoft Office PowerPoint				<b>X</b>
Zoom				<b>X</b>
google drive				<b>X</b>
MS Access				<b>X</b>

### Participation in advanced training courses, seminars, trainings

№	Year	Name of the training	Your status (facilitator, participant, organizer)
1	2009	General Course of Modern Methodologies of Teaching Professional Development Center of the Technical University of Georgia, State University of Iowa (USA), "Community Collages for International Development" (USA).	participant
2	2013	Caucasus Academy of Security Experts. Certificate for successful completion of special disciplines in Intelligence & Cyber Security.	participant
3	2014	International-Science Conference Computing/Informatics, Educations Sciences and Teaching Education.	participant
4	2016	International Scientific and Practical Conference "European Integration and Georgia".	participant
5	2018	International Scientific and Practical Conference "Information Society and Education Intensification Technologies".	participant
6	2020	Detection of plagiarism, avoidance, Response procedures. European University, Head of the Research Support Center	participant
7	2020	Problem-based learning (PBL).	participant
8	2020	Modern Assessment Methods in Higher Education. European University, Head of the Research Support Center	participant

CV

### Publication (Last 5 years)

No	Year	Name Of Publication	
1	2015	Find optimal solutions to linear programming problems using economic-mathematical models	
2	2015	Reference-legal systems using wireless networks and improving information security in them	
3	2015	Finding optimal solutions to transport tasks using economic-mathematical models	
4	2015	Recognition of Symbols Using the Method of Gravity Center	
5	2016	Optimal for a linear programming task Find solutions based on the example of a small enterprise	
6	2016	Games saddle point and game Solution in the area of mixed strategy	
7	2016	Visualization of inter-communication in normative-legal documents and automated design of analysis in reference-legal systems	
8	2017	Identification of potentially dangerous situations in normative-legal documents and separation of criteria in them	
9	2017	Types of Wireless Networks and Aspects of Their Use	
10	2017	Wireless Network Security Issues	
11	2017	Wireless LAN security Monitoring is logical and structured Automated process design	
12	2017	Automatized Design of the Logic and Structured Process of Wireless Local Area Networks Monitoring	
13	2017	Recognition of symbols using the method of gravity center	
14	2017	Issues of Security of Wireless Networks	
15	2017	Wireless Networks, their Type and Methods of Use	
16	2018	Wireless network and its various fields of application	
17	2018	Wireless networks, security issues and their analysis	
18	2018	Concept of building a virtual private network (VPN), Network functions and their classification	
19	2018	Development of Software of Testing system generation of Examination	
20	2018	The overview and analysis concerning the wireless network using safety	
21	2020	Corporate systems Analysis of risks related to information security	
22	2020	Wireless Network Security Issues And their analysis	
23	2020	Development of a mathematical model of the relationship between normative and legal documents in reference legal systems	

### Scientific Activities

No	Year	Name Of Scientific Activities	
1	2019	Corresponding Member of the Georgian Academy of Engineering	
2	2004	Candidate of Technical Sciences
