THIS IS TO CERTIFY THAT MR / MRS Tatia Dolideze  
successfully completed the

## WORKSHOP ON STRESS AND RESILIENCE

The workshop addressed all the basics of stress measurement, stress resistance, definition of resilience, levels of resilience (individual, community, and national), resilience indicators and predictors, factors and conditions that can affect resilience, best practices and experiences of resilience to adjust to the need of Georgia and to increase the impact on individual, public or national level.

The workshop was organized by the Center for the National Resilience [CNR] in cooperation with the National Security Council (NSC) and the Administration of the President of Georgia On 22<sup>th</sup> - 23<sup>rd</sup> October 2018.

President  
Ekaterine Metreveli

*E. Metreveli*

The training curriculum included courses on Economics, International and National Security, Public and Defense Policy, Research Methods, Post-Soviet Space and International Financial, Energy Security, Strategy, Communication, US National Security Policy, Russia and the North Caucasus overall. Around 200 hours of class instruction. Courses were delivered by the U.S. and Georgian instructors.

The program is designed to prepare analysts for national security community for careers as government policymakers in defense/security agencies, diplomats, non-governmental policy analysts and business leaders. It offers training in analytical methods and approaches to national security and public policy and focuses on skills and knowledge necessary to participate in the national security policy process and shape its future.

This is to certify that Ms. Tatia Dolide has successfully graduated the training program in National Security and Public Policy (May 2018 - May 2019) implemented by The Georgian Foundation for Strategic and International Studies, supported by the US Embassy in Georgia.
